This summer all CITs will have the opportunity to assist the campers and counselors in all camp activities. In order to have a very positive experience for the campers and the CITs, CITs need to be prepared to participate in all activities with campers, perform cleaning tasks, and take direction from paid camp staff. Cell phones will not be allowed and excellent attendance is expected. New CITs will have a tuition fee which is half the price of the four week campers. Returning CITs would not pay any tuition but must be invited back by the Camp Director.
