As we begin our 28th summer at the Cedarland facility, we are continuing to work to improve our C.I.T. program. This year all C.I.T.'s will have the opportunity to assist with the campers as well as participate in some of the instructional activities. In order to have a very positive experience for the campers and the C.I.T., C.I.T.s need to be prepared to participate in all activities with campers, perform cleaning tasks, and take direction from paid camp staff. Cell phones will not be allowed and excellent attendance is expected. New C.I.T.'s will have a tuition fee which is half the price of the four week full day campers. Returning C.I.T.s would not pay any tuition but must be invited by the Camp Director.
